

# Scavenger Hunt

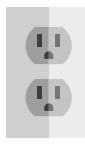

Have fun exploring your home and your backyard.  
Your challenge? Find as many objects as you can from the following list. Hint: They all have something to do with electricity.  
Can you find them all?

**A transformer**

**An insulator**

**An electrical outlet**

**A power bar**

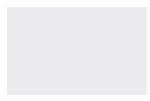

**Something  
that lights up**

**A circuit breaker**

**An electric battery**

**A rectangular  
object**

**A meter**

**Something that starts  
with the letter "P"**

**A water heater**

**Moving water**

**An animal on  
an electrical line**

**Something orange**
