**Subject : Answer to an access to information request - DAI-2026-0042**

Good day,

This is in response to your request received on January 31st, which stated:

*« I request records held by Hydro-Québec detailing the number of power outages affecting the Pontiac Ouest municipalities of Sheenboro, Chichester, Allumettes, and Waltham for the years 2024 and 2025, including dates and duration, please. »*

(Full transcript)

After review, please find attached the information related to your request.

A review of this decision may be requested from the *Commission d'accès à l'information*. An explanatory note on this matter is attached.

Please accept our best regards.
