May 2019

Notice recipients

- Entities listed in the Register of Entities Subject to Reliability Standards
- North American Electric Reliability Corporation (NERC)
- Northeast Power Coordinating Council, Inc. (NPCC)
- NPCC Reliability Coordinators
- Régie de l'énergie du Québec (Régie)

Consultation period: May 10, 2019 to May 31, 2019

Purpose of the public consultation

In accordance with the process established by Régie de l'énergie du Québec's decision [D-2011-139](#), the Reliability Coordinator for Québec (the "Coordinator") is seeking comments from registered entities and stakeholders on a project to revise the Register of entities subject to Reliability Standards (the "Register") in Québec.

This revision updates the Register to reflect changes in the Québec system. After this public consultation, the Coordinator will file this project with the Régie.

The Reliability Coordinator solicits the feedback of entities and stakeholders on this proposal. For this purpose, please use the online form available on the consultation page of the Reliability Coordinator's website; (<http://www.hydroquebec.com/reliability-coordinator/consultation.html>), making sure to clearly identify the document (and the section of the document) to which your comments pertain. You may also send your questions and feedback directly to the following address: fiabilite@hydro.qc.ca.

Documents in support of the consultation
