

Notice of Consultation Project QC-2019-04

July-September 2019

Notice addressed to:

- Entities listed in the Register of Entities
- North American Electric Reliability Corporation, Inc. (NERC)
- Northeast Power Coordinating Council, Inc. (NPCC)
- NPCC Reliability Coordinators
- Régie de l'énergie du Québec (the "Régie") [Québec energy board]

Consultation period: July 30, to August 30, 2019

Purpose of the consultation

In accordance with the process established by the Régie in Decision [D-2011-139](#), the Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities and stakeholders for comments on the following standards with a view to their eventual adoption by the Régie:

- EOP-005-3
- EOP-006-3
- EOP-008-2

The Coordinator asks Registered Entities for their opinion on the relevance and impacts of the reliability standards to be adopted or withdrawn. Please provide your comments using the consultation form under this notice on the Public consultation of entities page of the Reliability Coordinator website (<http://www.hydroquebec.com/reliability-coordinator/consultation.html>). Make sure you clearly indicate the document (and document section) to which your comments refer.

You may also send your questions and comments directly to the following address: fiabilite@hydro.qc.ca.

Documents

- Proposed standards and Québec appendices
- Summary of the standards to be adopted or withdrawn, including preliminary assessments of their relevance and impact
